

Coca-Cola Cake Icing

| | |
|---------|----------------------|
| ½ cup | butter |
| 3 Tbsp. | cocoa powder |
| 6 Tbsp. | Coca-Cola |
| 16 oz. | confectioner's sugar |
| 1 tsp. | vanilla |

1. Combine butter, cocoa powder and Coca-Cola in a saucepan. Heat until the mixture comes to a boil.
2. Put confectioner's sugar in a mixing bowl.
3. Pour the liquid mixture into the sugar. Whisk briskly until combined thoroughly using an electric mixer.
4. Whisk in vanilla.
5. If there are large clumps in the icing, pass through a sieve.
6. Allow to cool to room temperature before use.
